

Canadian Headache Society Travel Grant 1500\$ to support education on headache management

**18th International Headache Congress
Vancouver, Canada
September 6th to 19th, 2017**

The International Headache conference is an international event that will be held in Canada in 2017.

See the latest in research and hear the best speakers in headache medicine.

The Canadian Headache Society will be offering 2 travel grants to neurology residents interested to attend the congress.

The grant will be offered exclusively to residents who will submit an abstract for the congress.

Candidates should contact Dr Elizabeth Leroux
Leroux.neuro@gmail.com

This grant is made possible by an unrestricted educational grant by Allergan.
